Fees over the Christmas holidays....

This is a gentle reminder that the normal weekly fees apply during the Christmas holidays as the crèche still incurs the same weekly expenses

Respect for Children

At Happy Days we work hard to be respectful of the children we care for:

We show our respect in the following ways

- By showing an appreciation of the work the children have created by displaying their efforts
- At meal times we sit and talk to the children as they eat, enjoying eating as a social occasion
- We never discuss any issues within the child's hearing and only make positive comments around the children, when we have concerns we discuss them away from the child

We use positive behaviour management strategies which support the children's learning and development

"Respect children because they are human beings and they deserve respect and they will grow up to be better people"

Change of Clothes

It is very important that your child always has a change of clothes in his/her bag as little accidents can happen! Please

remember to label all items of clothes with your child's name

If you have items of clothing from the

crèche at home, please return them to us as this means we have some changes of clothes in an emergency.
